FESTIVE HAMPERS

RHUBARB'S APPROACH

For over 24 years, rhubarb's mission has been to provide delicious, memorable dining experiences. Although we find ourselves in different times, our mission remains the same. To deliver deliciously different food and drink.

In this ever-changing situation we will continue to adapt and change our offering and our Festive Hamper Collection is a perfect example of a rhubarb experience in new times.

We have crafted these mood-boards to bring to life through images the ways we will deliver your festive hampers
