

SPRING SUMMER 2025

MENU

Rhubarb.
EVENTS

This menu pushes the boundaries of culinary creativity, always focusing on sustainability.

Our culinary team focus on seasonality, using local ingredients like Wye Valley asparagus and Westlands tomatoes to minimise environmental impact. Each dish has been developed with an experimental approach, drawing inspiration from global travels and everyday experiences; a trip to India sparking the creation of a strawberry curried cookie, while a love for classic carbonara led to the one-bite polenta 'carbonara'.

Together, these elements create a menu that is both innovative and deeply rooted in tradition.
