A chef in white gloves is pouring a golden liquid from a small metal cup into a glass. In the foreground, a glass bowl filled with a white, fluffy substance (possibly foam or a light dessert) sits on a white napkin. The bowl is garnished with fresh herbs and a small piece of red food. The background shows a table set with white linens, gold-rimmed glasses, and other dishes, all under warm, ambient lighting.

EM POWER, V&A 2023

I would like to express my sincere thanks for all your efforts in making the 51st UAE celebration a successful one. In all honesty without all your efforts and the efforts of the entire Rhubarb team, this wonderful event would not have been possible, the set up and service was professional and the food was fabulous and enjoyed by all.

UAE AMBASSADOR, PRIVATE EVENT

Thank you so so much for all your support yesterday - this was our best event in Europe to date, and everyone from DigitalBridge in attendance had an incredible time. Our firm's President remains speechless today about how exceptional the experience was to be in the museum.
